Alex Montez and Lizza Lamb are teaming up to pastor a new regional church!

After three years of pastoring Iglesia Vida in Angleton, Music Super Stars, Alex Montez and Lizza Lamb are partnering up as pastors of the new Hispanic church, La Vida Regional, to serve the One and Only Superstar – Jesus Christ! La Vida begins on June 4, 2006! It's a new church on a 20 acre campus with lots of excitement! "When someone like God moves into your life, it's has to be exciting!" Montez said.

In case you might think that two ex-Tejano stars are nothing more than glitz and glamour, think again. Lizza says, "We preach the Word of God without apology, knowing it is the only thing that can change a person's life. We have seen so many miracles take place

in our own lives and in the lives of the people we have pastored the last three years." Alex adds, "Only the true Life-giver can give us abundant, successful lives! I know this is true because I tried to find happiness everywhere else. I had money, fame, power over others, but the real happiness never came! Only La Vida, and not living La Vida Loca, could make my life complete!"

Now the singers light up the stage together singing contemporary songs of praise and worship! "When Lizza sings, my heart flies to heaven. She's so passionate, so sold out," said one elderly churchgoer after a pre-launch service on Mother's Day, "and I just love the sound of Alex's voice. It's wonderful that he's using his gifts for God!"

When the music is over the teaching time begins. "Alex has such a tender heart. He speaks plainly and down to earth. He's easy to understand and makes the Bible come alive for people like me. And we love the casual

¡Después de tres años de pastorear Iglesia Vida en Angleton, las Súper Estrellas Musicales, Alex Montez y Lizza Lamb forman un equipo como pastores de la nueva Iglesia Hispana "La Vida Regional", para servir al verdadero y único Superestrella –Jesucristo! ¡La Vida Regional! comienza este 4 de Junio de 2006! ¡Esta es una nueva Iglesia en un campus de 20 acres con mucho entusiasmo! ¡"Cuando alguien como Dios se mueve en tu vida, tiene que ser emocionante!" Aseguró, Montez.

Por si usted pudiera pensar que dos estrellas ex-Tejano no son nada más que interés propio presumir y encanto, piense otra vez. Dice Lizza, "predicamos la Palabra de Dios sin disculpa o excusa, sabiendo que esta es la única cosa que puede cambiar la vida de una persona. Hemos visto tantos milagros ocurrir en nuestras propias vidas y en las vidas de las personas que hemos pastoreado los tres años pasados. ¡" Alex añade, "Sólo el verdadero dador de vida puede darnos vidas abundantes, y acertadas! Sé que esto es verdadero porque traté de encontrar la felicidad en todas partes. ¡Yo tenía el dinero, la fama, y poder sobre otros, pero la verdadera felicidad nunca vino! ¡Sólo La Vida de Jesús, y no La Vida Loca, podría hacer mi vida completa!"

¡Ahora juntos, los cantantes iluminan la plataforma cantando cantos contemporáneos de alegría y adoración! "Cuando Lizza canta, mi corazón vuela al cielo. Ella es tan apasionada y entregada a su nuevo llamado," dijo una asistente de la Iglesia después de un servicio de prelanzamiento durante el Día de las Madres, "Y me encanta el sonido de la voz de Alex". ¡Es maravilloso ver que él use sus dones y habilidades para Dios!"

atmosphere. No suits and ties, formal dresses or jewelry here! To fit in here all you have to be is a normal everyday person giving God their best, by giving Him your heart!"

The children and youth departments are incredible! Tania Sosa leads the children's teams wanting everything the kids experience to be fun, exciting and full of Bible truth. "The facilities we have really make a difference in what we can do and provide for the

children! The Bible curriculum we use makes a big difference in their character. They love coming and we love having them here!" Sosa said.

Lizza says, "I hope a lot of people will come and try the new church. It was hard for Alex and me to go to church when we were kids because it was always boring. It wasn't a lot easier for us as adults because the churches we tried didn't seem to speak to our needs in the real world. But this is completely different... it's alive and real. I know that once people try it they will come back again and again!"

The new La Vida Regional church kicks off June 4th at 4:00 p.m. at 501 Karankawa St, Angleton. Though it is primarily for Spanish-speaking people, anyone who understands Spanish is welcome to attend. Children's ministries are in Spanish and English to encourage English speaking skills. To be a part of this brand new church, come Sundays at 4:00 p.m. or Wednesdays at 6:15 p.m., or call 979-583-1412 for more information.

Dijo otra asistente ese mismo día.

Quando el tiempo de la música termina, comienza la enseñanza. "Alex tiene un corazón muy sensible, habla claramente y con sencillez. Es fácil de entenderlo y hace que la Biblia cobre vida para la gente como yo. Nos encanta la atmósfera familiar y casual. ¡Aquí no hay trajes ni corbatas, ni vestidos formales o joyería! ¡Lo importante aquí es ser una persona normal que le da a Dios lo mejor, dándole su corazón!"

¡Los departamentos de niños y de jóvenes son increíbles! Tania Sosa conduce los equipos de niños con el deseo de que ellos se diviertan en todo y experimenten la verdad de la Biblia. ¡"Las instalaciones que tenemos realmente hacen una diferencia en lo que nosotros podemos hacer y asegurar para los niños! El plan de estudios de Biblia que usamos hace una diferencia grande en su carácter. ¡A ellos les encanta venir y nosotros los amamos y nos encanta tenerlos aquí!" dijo Tania.

Lizza dice, "Espero que mucha gente venga visite y experimente la nueva Iglesia. Para Alex y para mí era difícil ir a la iglesia cuando éramos niños porque siempre era aburrido. Y como adultos no fue más fácil porque las iglesias a las que intentamos ir no parecieron hablarle a nuestras necesidades en el mundo de hoy. Pero aquí esto es completamente diferente. Jesús está vivo y es verdadero. ¡Sé que una vez que la gente venga y lo intente volverán una y otra vez!"

La nueva Iglesia "La Vida Regional" empieza el 4 de Junio a las 4:00 PM en el 501 Karankawa St, en la ciudad de Angleton, Texas. Aunque es principalmente para la gente de habla hispana, todos los que entienden el español son bienvenidos a asistir. Los ministerios de niños son en español y en inglés para animar y ayudar a que los niños aprendan a hablar inglés. Para ser parte de esta nueva Iglesia, solo venga los domingos a las 4:00 PM o los Miércoles a las 6:15 PM, o llame 979-583-1412 para más información.

A Father Speaks Out

Memorial Day - What Is This Special Day?

By Fernando Suarez del Solar

According to tradition, it is a day to remember those who have fallen in US wars. The stated goals of those wars were peace, freedom, democracy, and justice. But what has really happened? In spite of all of the wars that have taken thousands of our soldiers and millions of innocents, especially children, the world is still at war, and people everywhere suffer under unjust political systems where there is no freedom.

Why has all of this blood been spilled? To show us that war is not the way to the noble ideals for which many have died. Today in Iraq, more than 2300 young men and women from the US have died, as have thousands of innocent Iraqis. How many more must die? On this day, I invite you to reflect on how to honor those lost souls by working through non-violence for real peace and justice.

How ironic that thousands of Latino and Latina soldiers and marines have died in the name of the stars and stripes, and today the government represented by that flag offends Latinos in the United States by militarizing the border and passing discriminatory laws. Are we to ignore the contributions made by immigrants to this great nation? On any of the many war monuments to past wars we can find hundreds if not thousands of Latino names. Each served with pride and each was praised by politicians at the time. But what is happening now? Not only are they dishonored, but abusive and immoral proposals for immigration reform insult their relatives and families.

On this day, to recall the thousands of lost lives is to remind ourselves that wars only produce more hate, more destruction, more injustice, more grieving families, and more rage. This cycle must be stopped by acts of peace. No more names of the dead on monuments, no more holidays to honor the fallen, no more wars that incite the hatred of other peoples and religions. We ought to abolish Memorial Day. Until then, let us use this day of remembrance and sadness to begin a new culture that respects human rights and all life. Let us tell Bush and those who will come after him that wars are not a path to peace. In honor of our fallen soldiers, let us raise our voice as one to say "Enough!" Memorial Day - a day of mourning, tears, and reflection.

The author, Fernando Suarez del Solar, is the father of Marine Lance Cpl. Jesus A. Suarez del Solar, killed in action in Iraq by a US cluster bomb.
